Instructions

JL/JT Modular Front Bumper – Splash Guard/Light Mount

Thank you for purchasing your JL/JT Modular Front Bumper Splash Guard/Light Mount from AAL! We greatly appreciate your trust in our company. We take that purchase and your commitment to us very seriously. If you have any questions along the way, please don't hesitate to give us a call at 385.202.4188.

Please read these instructions thoroughly before starting this project.

Currently only available for the JL/JT Modular Front Bumper

Tools Required:

There is more than one tool for every job, but below is the list of tools we use for this installation.

- M4 Allen Socket/Wrench
- M5 Allen Wrench/Socket
- Ratchet

What's included:

| Item	Qty
Splash Guard/Light Mount	1
M6x14mm Button Head Flange Bolts	10
M8x20mm Button Head Bolts	2

We recommend using a medium duty thread locker on all hardware.

Step 1: Install the Splash Guard/Light Mount

There isn't much to this install, simply hold the Splash Guard up under the bottom of the Modular Front Bumper, and install the hardware as shown in diagram 1.

Note - There are multiple ways to mount a light bar. We've added basic provisions to mount a 20" single row light bar, but we leave it up to the customer's discretion on how they install their light bar.

Diagram 1

(2) M8x20mm BtnHd Bolts

(10) M6x14mm BtnHd Flange Bolts

Step [2]: Share Your Photos

We take great pride in building our products and we hope that pride extends to you after installing your JL/JT Modular Front Bumper - Splash Guard/Light Mount. If you are able to share your photos online (Facebook and Instagram), please tag **@AmericanAdventureLab**. We would love to see how it turned out and give you some reciprocal attention in return!

Congrats! You're all done!
Thank you!

At American Adventure Lab, we strive to improve anywhere we can. If you experience any issues with this product or have any suggestions, please let us know.

If you have any questions or concerns, please don't hesitate to reach out to us at 385.202.4188 or via email at Support@erp.adventurelab.com.
